## Intense Peninsula Valdes

Atlantic Patagonia, with its irregular coasts, gulfs, bays, estuaries, inlets and cliffs that plunge in the green waters of the Atlantic Ocean, hosts one of the widest varieties of marine fauna in the world: whales, sea elephants, sea lions, penguins, cormorants, petrels and many other bird species. An ideal environment for exploration, fauna watching, submarine experiences and other adventure sports.

### Day 1: Arrive in Trelew - Puerto Madryn

Reception and assistance at Trelew airport. Transfer to Puerto Madryn (\*). Accommodation at hotel. Dinner.

### Day 2: Puerto Madryn - Punta Delgada

Breakfast. Full day tour to Valdés Peninsula, passing by Ameghino Isthmus, located between the Nuevo and the San José gulfs. Visit to Puerto Pirámides, and its sea lion rookery. We strongly recommend the optional whale watching boat excursion, which you cannot miss (available from July to November). Continue to Punta Delgada. Afternoon at leisure for trekking along the beaches dunes. You will be able to watch an impressive colony of sea elephants, sea lions and some bird species from the top of the cliff. Dinner. Accommodation at Punta Delgada Lighthouse hotel.

### Day 3: Punta Delgada - Puerto Madryn

Breakfast. Morning at leisure to admire the magnificent view of the coast, this is the only continental habitat for the outstanding southern sea elephant. Lunch. Followed to this, we will drive to Caleta Valdés to visit the Wild Life Reserve. Return to Puerto Madryn, passing by Saline Grande and Saline Chic (salt pits). Accommodation.

### Day 4: Fly out from Trelew

Breakfast. Departure to Punta Tombo rookery to admire the magnificent colony of millions of Magellan Penguins. Transfer to Trelew airport (departure flight after 5 PM is required).
