### Day 2: San José

One-day tour to Arenal Volcano and Tabacón Hot Springs, includes snacks and dinner. Few sites in Costa Rica inspire more respect and admiration than the Arenal Volcano. Sometimes lava can be seen flowing from its interior and, if mother nature permits, you will may have the pleasure of seeing a spectacular eruption. However, often the peak will be covered by clouds. Then visit the thermal waters of Tabacón where you will be able to benefit from their curing effects. Includes entrance fees, snack and dinner. Overnight at Britannia Hotel.

### Day 3: San José - Tortuguero

Our trip begins early with breakfast at Rio Danta Restaurant and Private reserve en route to the embarkation point of Matina. We drive through the spectacular rain forests of Braulio Carrillo National Park, just 30 minutes from San José. Enjoy a buffet of tropical fruits at Matina before boarding a boat specially designed for canal navigation. A two-hour trip through the canals will take us to Mawamba Lodge...just in time for lunch! You will be at your leisure in the afternoon to experience the local culture and habitat, visit some of the area's wonderful natural attractions, walk the nature trails or just relax in a luxurious hammock. Our resident biologist will present a slide show on Tortuguero's natural history in the early evening and, in season, an optional night tour will take you to view the nesting turtles. (All meals included). Overnight at Mawamba Lodge

### Day 4: Tortuguero

Early this morning we will enjoy a guided tour of the smaller canals in smaller, open boats that will allow you better visibility to observe the vast plant & animal life of this Jungle rainforest region. Afternoon at your leisure. (Breakfast, Lunch, Dinner). Overnight at Mawamba Lodge
