The Original Open Voucher

Days 7 to 14 : Around Costa Rica

Now you can drive and sleep in Costa Rica entirely at your pace through taking advantage of these great value drive/hotels packages which provide a rental vehicle and allow you to select from a large choice of places to stay according to where you are and what you want to do.

More than 60 hotels and lodges strategically located all over the country give you a great variety to choose from, and the chance to avoid rigid bus or shuttle timetables which remove your freedom to travel when you want. Open Voucher lets you rent a car throughout your stay, so you can choose when it is time to leave and where to go next.

7, 10 or 14 vouchers according to the length of your stay, each worth one night's lodging. Your room at your chosen hotel is just one phone call away: you just call up any of the participating hotels, or call us and let us do it for you. Tell them you are traveling on the Open Voucher and that you are on your way there. If they are fully booked, don't worry: you will always have more options to choose from in the same area, and just to keep your spirits high, in the morning we thought you will start your day better with delicious Costa Rican coffee and a breakfast, it is included too.

Upon your arrival at Juan Santamaria International Airport, a guide will be waiting for you and drive you to your hotel of choice in San José. During the trip you will be introduced to the key facts of Costa Rica, and will find answers to any questions you might have regarding the program. You can discuss your itinerary (if you have one in mind already), or let our people advise you. We will provide you with a brochure illustrating and listing all the participating hotels, together with an "easy to locate them" map.

We suggest you to let us take care of the first night booking upon arrival, be it in San José, or if your flight comes in early in the morning, anywhere else.

The car rental will come to pick you up at your hotel (or directly at the Airport), you will get your rented car and...that is it! You are on your way to freedom & adventure...!
