The Adventure Trek

With the growing popularity of water, ground and aerial sports in Costa Rica, this trip spreads the spirit of "Pura Vida", the most common Costa Rican expression meaning literally "pure life". Enjoy a combination of exciting activities while you visit Turrialba, Arenal, the Caribbean and Manuel Antonio regions.

Day 1: Arrival to San Jose

Upon your arrival into San Jose, a representative will meet you at the main passenger exit, at the international airport and will take you to the hotel in San Jose. During your transfer, if you have any questions you feel you need to ask your driver regarding your services, please feel free and do so, and he can answer them for you. Overnight at [Grano de Oro hotel](#).

Day 2: San Jose - Pacuare

After breakfast, a guide will meet you at your hotel to begin your overnight adventure on the class III/IV Pacuare river. Enjoy a nice journey through San Jose and Limon provinces until reaching the Pacuare river starting site and, where your white water rafting experience begins. Pacuare river is one of the top five rafting rivers in the world for its scenery and rapids. This is a trip of pure adrenaline, wildlife and exhilarating rapids. Overnight at [Pacuare lodge](#). This transfer is done in the afternoon.

Turrialba is washed by the pure waters of Reventazón river, which converted these lands into a rich agricultural area over a hundred years ago. Rains throughout the year create a green collage of primary forests, biological reserves, and extensive plantations of coffee, macadamia and sugar cane. A paradise for adventurous! Overnight at [Casa Turire hotel](#). Breakfast, lunch.

Day 5: Turrialba - Limon

Definitely a land of contrasts full of varied adventure options. Afternoon arrival to the hotel. Overnight at [Arenal Observatory lodge](#). Breakfast.
