We will be meeting you at the Phillip Goldson International Airport. As soon as you exit the main passenger doors to the public areas, we will be transferring you to the Five Sisters Lodge in The Mountain Pine Ridge Forest Reserve. (Dinner).

Day 2: Mountain Pine Ridge - Caracol

The tour will be leaving the lodge at approximately 8:30 am to take you to the largest archaeological site in Belize, Caracol, which covers 30-square miles of thick, high-canopy jungle, and includes five plazas, an astronomic observatory and over 35,000 buildings which have been identified. The loftiest among them, a massive pyramid (Caana) which is capped by three temples and rises over 140 feet above the jungle floor.

You will then proceed to the Rio Frio cave, where stalagmites and stalactites form an eerie backdrop to this ancient Mayan worship place. Leaving the caves, you will then be taken to the Rio On Pools, where you can kick back and relax in natural pools. After a full day of hiking and relaxing, you will then return to the hotel..(Breakfast / Lunch / Dinner).

Day 3: Mountain Pine Ridge - Barton Creek

Today we will be taking you to one of the most breathtaking caves in this area, the Barton Creek cave, for a guided canoe tour through the cave where you will see stalagmites and stalactites as well as skeletal and pottery remains that ancient Mayas left behind. Day 4: Mountain Pine Ridge - Mayan plazas

On this day you stroll through the rainforest on horseback, visiting Mayan plazas and ceremonial centers; gathering information of how Mayas got around and lived. You will also be encountering Mayan skeletal remains when you visit the Skeleton Cave. Then take a relaxing dip at Big Rock Water Falls before your ride back to the lodge. (Breakfast / Lunch / Dinner).
