These 3 items are available as a package for \$56 including shipping, 15% off the retail price (Item no. EWCRB). Any additional books ordered are shipped free.

C. Lavett Smith

National Audubon Society Field Guide to Tropical Marine Fishes: Caribbean, the Gulf of Mexico, Florida, the Bahamas and Bermuda

1997, FLEXI-BOUND, 720 PAGES, \$19.95

A photographic guide to coral reef fishes found in the Caribbean, Florida, the Bahamas and Bermuda. This portable, pocket-size book features 417 excellent color photographs, each with a range map and description. Species are grouped according to taxonomy and shape. (Item no. FG24)

Ewald Lieske, Robert Myers

Coral Reef Fishes

2002, PAPER, 400 PAGES, \$24.95

A convenient handbook to shallow-water fishes associated with coral reefs throughout the Indo-Pacific and Caribbean, compact and comprehensive. With 2,500 illustrations covering 2,100 species worldwide. (Item no. DIV05)

Paul Humann

Snorkeling Guide to Marine Life

1995, PAPER, 80 PAGES, \$14.95

A compact guide illustrating all the fishes, corals, invertebrates and plants you are most likely to encounter in less than 15 feet of water in the Caribbean. Humann's photographs are among the best we've seen for identification -- and its handy size makes it perfect to take along in the boat or to the beach. (Item no. DIV02)

Also Recommended
